DISTRICT COURT  
FOURTH JUDICIAL COURT  
Court File No. DC-159283

Mark Jude Collins,  
Petitioner,

and

Holly Ann Collins,  
Respondent

AFFIDAVIT

I, Michelle Ek, sister of Holly Collins, on oath depose  
and state:

1. I have read my sister's affidavit of June 30, 1993.
2. Holly's statement (Para 4) that my Mother Eleanor Gallagher has me calling the police if Holly calls me is untrue. Currently I have a restraining order to prevent Holly from calling me which was effective June 18, 1992 and expires August 14, 1993. I asked for the restraining order myself even though Holly was represented by a lawyer, Ms. Murdock. The New Hampshire Judge who heard the case ordered Holly not to contact me. I sought the order because Holly was taping my conversations and I did not want her to do that. Holly also tried to get me to make statements that Mark was abusive to Zachary and Jennifer. That was just not true.
3. When I informed my father Ronald Tveter that I was having some marriage problems, he said he would testify against Brian and that he and Holly would use information regarding her divorce to help me. I told my father no because I want my husband in my daughter's life.

Exhibit C

4. I will again state that my mother Eleanor Gallagher has never abused Holly. She has never abused me.. She has never abused Zachary or Jennifer. My step-father has never abused Holly, me, Zachary or Jennifer or anyone else that I know of.

5. I just want my family back together again.. I want Holly and my mother to be mother and daughter and get along. We use to be all together and we loved each other, why can't we all get together again..

Signed under the penalties of perjury this 6th day of July, 1993..
